POPULAR**

\$650

ADD A SECOND SHOOTER

More cameras and angles

\$200

QUICK IG/TIKOTOK REEL

Vertical reel that is a quick recap!

FEATURE

\$4600

25-40 MINUTE EXTENDED EDIT FILM

Your entire day and each and every moment captured and edited into a classic feature length wedding film. 8 hour single shooter package.

Classic feature-length wedding film "like our parents had". Also includes 15-30 second sneak peak reel.

\$650

ADD A SECOND SHOOTER

2nd videographer up to 6hrs.

AERIAL

\$300

FILM PACKAGE ADD-ON

Capture the setting of your day from hundreds of feet up or for those discerning clients requiring those 'swooping' camera angles down low.

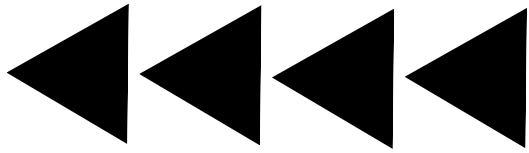

Bird's eye view professional aerial drone imagery of your dream wedding day setting.

\$500

A LA CARTE

60 second edited aerial highlight + all original "raw" aerial image & video files.

VISUALIZED BY NIKKO

NIKKO JOKIAHO

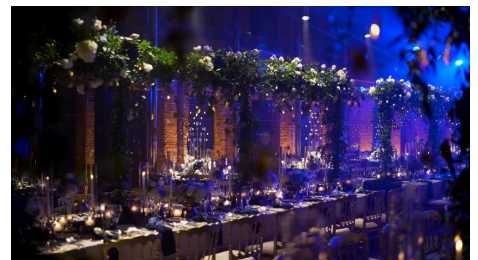

A passionate and talented self-taught filmmaker, Nikko's original spark of creativity came from a childhood interest in the way stories were visually told in classic Hollywood films.

With the advent of YouTube, Nikko became interested in travel influencers who used their video skill sets to financially support themselves through showcasing their luxury travel lifestyles.

Upon mastering digital film and editing techniques, Nikko joined Black Diamond in 2021 to helm the company's rapidly growing

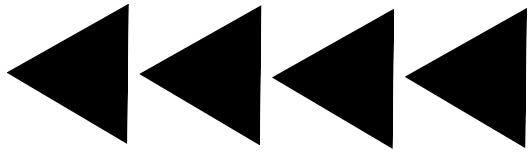

Wedding Films division. While mostly booked up far in advance due to the nature of the wedding industry and popularity of Nikko's vision through the lens, Nikko is also available for private & commercial video projects.

MORE VIDEO SERVICES

LIVE STREAM

Strong WiFi / network connection required for "live" to function properly. Audio feed may be required from DJ/AV partner.

\$500 VIDEO PACKAGE ADD-ON

Ceremony live streams became popular during the micro wedding trend of 2020 & 2021 but this service is still in demand for loved ones to bear witness live from afar. 15-30 minute stream, **not** edited.

\$900 A LA CARTE

RAW FOOTAGE

End user must be capable of storing and editing RAW digital video files. Delivered "as is" - no editing/trimming of RAW files.

\$200 CUTTING ROOM FLOOR

Delivery of all RAW video files for the advanced/experienced video editor. Includes all files without edits, mastering, trims or color grading.

VIDEO SCREENS

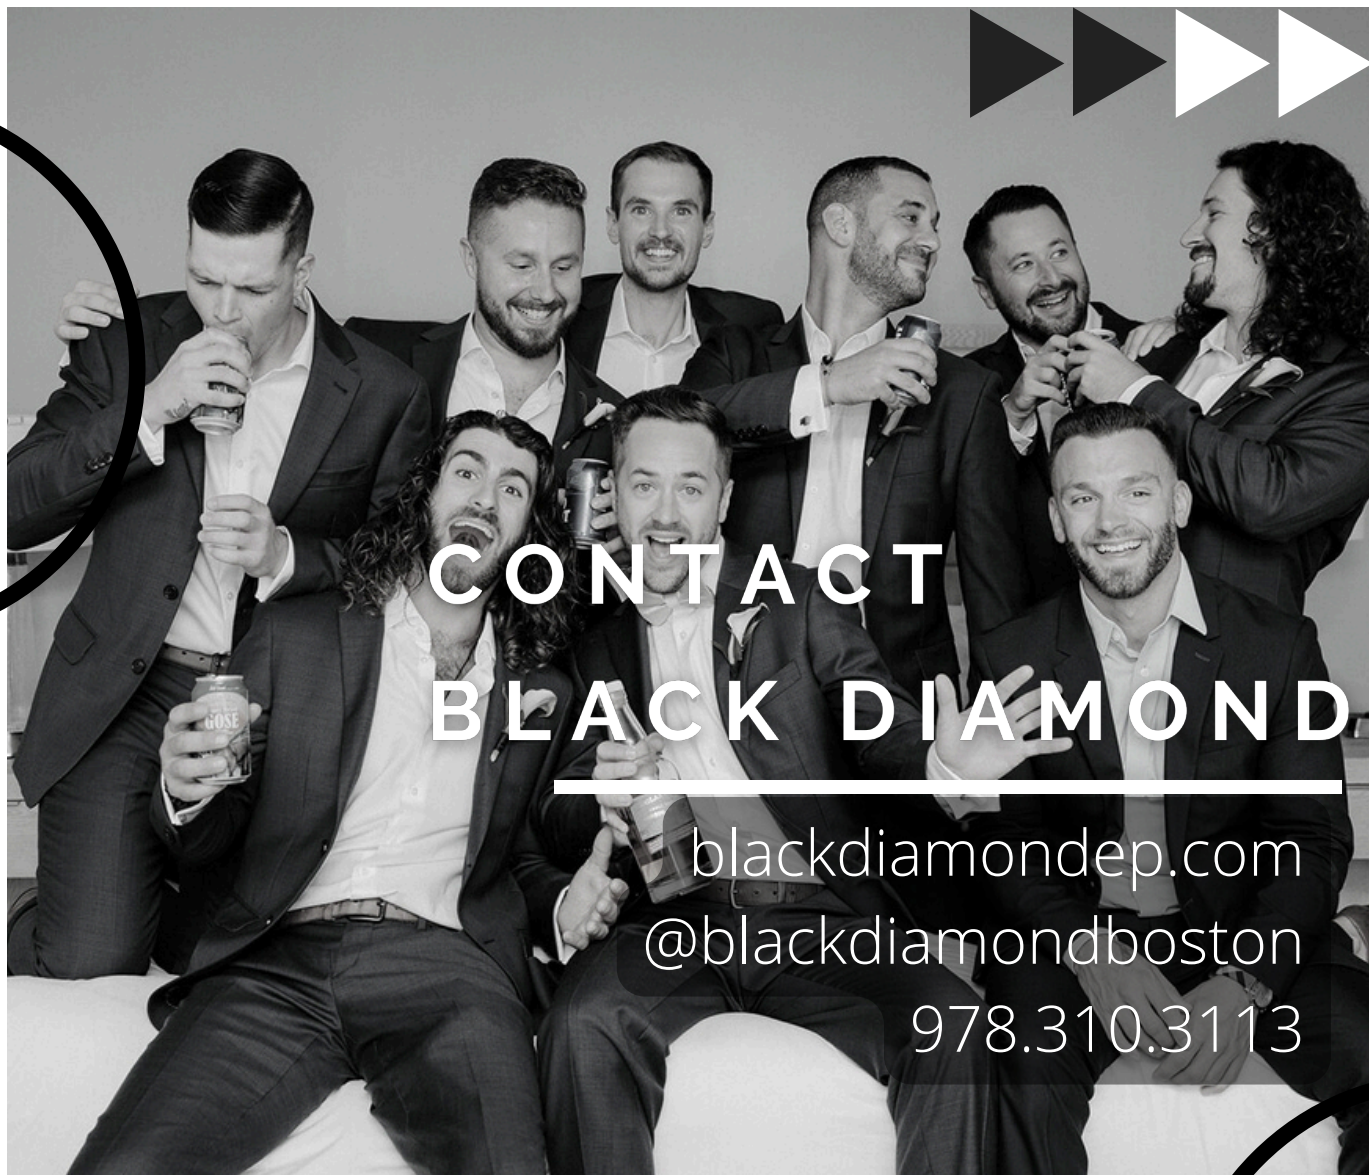

Showcase same day footage, pre-made slideshows or montages, and other custom graphics on large HD monitors.

\$1200 DUAL 60" HDTV PACKAGE

2x large HD screens on 6' "totem" trussing including all HDMI/CAT5 patch cables and a basic media playback device. HDMI capable laptops or devices also supported.

*Ample setup space required at venue.
